20th Annual Friends Convention

20th ANNUAL CONVENTION

Orlando 2017

JULY 20-22

Friends
The National Association of Young People Who Stutter

The FRIENDS mission continues to be what it has always been—to provide support and education to young people who stutter and their families.

We want our young people who stutter to know:

- they are strong
- they have support
- they are not alone
- they have FRIENDS who will listen to them

If this is your first FRIENDS convention, you may be unsure what to expect. What you can expect is to meet kids, parents, siblings, and SLPs all hoping for the same unforgettable time as you. When you leave on Sunday, we hope to hear you tell your new FRIENDS how happy you are that you decided to come to a FRIENDS convention, followed by a 'see you next year'!

An important component to the FRIENDS convention is shared meal times as well as social gatherings in the evenings. Please take advantage of our tween, teen and adult hospitality rooms.

Expect this to be an amazing three-days of laughter, education, tears, support, hugs, and FRIENDSHIP. Enjoy!
