

The National Association of Young People Who Stutter

Family One-Day Conference

children's programs • group activities • small discussion groups • panel presentations

 **Saturday, May 18, 2019**
10:00am - 3:30pm (doors open 9:45am)

 **Alta Vista Park Multipurpose Room**
715 Julia Ave. Redondo Beach 90277

The FRIENDS Family Fun Day is a wonderful opportunity for families to come together & learn about stuttering while meeting others who are dealing with similar struggles. Children's programming is activity-based and focuses on feelings & strategies for dealing with stuttering. Facilitated by speech-language pathologists & members of the adult stuttering community.

Individuals Who Stutter

Children, Teens, Young Adults

Meet others who stutter, learn about stuttering and ways to increase your confidence in communicating, and have fun talking.

Parents

Of children, teens, & adults

Learn how to best support your child, meet other parents of children who stutter & share experiences / concerns with people who get it.

Registration Fee

includes a pizza lunch (note: please kindly bring your own lunch if you have dietary restrictions). Financial assistance is available for any conference participant. Parking at the park is free and is first come first serve. Free street parking is also available where noted by the city signs.

Before April 30	After April 30
\$35 Individual	\$40 Individual
\$45 Family	\$50 Family

is a national non-profit, volunteer organization providing support and education for individuals who stutter, their families, and professionals

Join us for our 22nd Annual Convention July 2019 | Chicago, Illinois

If you stutter, you have FRIENDS.

PRESENTERS & FACILITATORS

Lee Caggiano, MS, CCC-SLP, BCS-F is the Director of Stuttering Therapy and Resources of Northern Colorado and treats children, adolescents and adults who stutter. Lee is the mother of a son who stutters and is co-founder and Director of FRIENDS: The National Association for Young People Who Stutter. She is committed to providing a high level of parent education and training and has developed and coordinated workshops for children who stutter, families and professionals for the past several years. She has presented at local and national conferences regarding the needs of young people who stutter and their families. Lee serves as a consultant to many school districts as well as teaching the graduate level fluency courses at New York University, Queens College, and Long Island University-Post.

Reuben Schuff is a person who stutters, aerospace engineer, juggler, traveler and speaker. He lives in Los Angeles and actively participates with the stuttering community, including NSA, FRIENDS, and the Stuttertalk Podcast. He believes that communication is intended to be a joyful part of the journey and works to spread this message through workshops, writing and speaking.

Nora O'Connor, LCSW is a licensed clinical social worker and a person who stutters. Nora has actively been involved in the stuttering self help movement for over 15 years. Nora earned her Master's in Social Work from San Francisco State University. She works in the addiction field treating mental illness and substance abuse. She also facilitates counseling groups and individual therapy, for people who stutter, in her private practice. Nora treats the emotional response to stuttering using CBT, DBT, and Mindfulness interventions

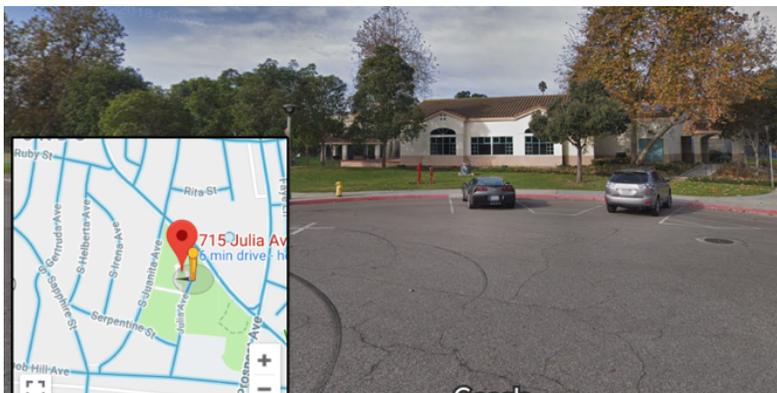

Lisa Villarreal, MS, CCC-SLP is a speech language pathologist who works with children and teens who stutter in a clinical setting and conducts speech and language assessments for K-12th grade students. Lisa is actively involved in the stuttering community and has led workshops at FRIENDS and NSA one-day conferences in Orange County. Lisa achieved her undergraduate degree in Psychology at UCLA and master's degree in Communication Sciences Disorders from Chapman University.
