Your Guest Room

For your comfort as well as our staff, we will not be performing daily cleaning in your room. We want your stay to be as undisturbed as possible. If you need additional service or amenities, please call the front desk and we will be happy to help!

Masks are mandatory in Colorado in all public spaces.

Our breakfast will have hot food, made for social distancing. Weekdays from 6:30-9AM and weekends from 7AM-10AM.

Our evening reception will be offered from 5:30PM-7PM. Adults will be supplied tickets for the complimentary beverages upon check in. Our bar is open until 9PM.

We have partnered with a neighborhood restaurant, the View House, for any of your dining needs. Menus are available, and they will deliver to the hotel!
