

INTERACTIVE ONE-DAY CONFERENCE

children's programs • group activities • small discussion groups • panel presentations

Saturday, March 9, 2024
9:30am - 4:00pm

Georgia State University, College of Education & Human Development
30 Pryor St. SW, Atlanta, GA 30303

The Friends One-Day Conference is a wonderful opportunity for families to come together and learn more about stuttering, supporting their child, and to begin building community.

Children's programming is activity-based and focuses on exploring attitudes and emotions, increasing understanding of stuttering, and instilling a greater sense of confidence — while making FRIENDS!

SLPs and students will learn more about stuttering, current therapies, and the support available for those who stutter.
